Economic Development Update

There were no new active projects added in the past 30 days. The current number of projects with activity in the past six (6) months is thirteen (13).

Staff responded to two (2) Request for Information (RFIs) in the past 30 days. Both of these RFIs were generated by the Charlotte Regional Business Alliance (CRBA).

EDC staff made three (3) existing industry visits in the past 30 days.

Below please find a couple charts with the locations under consideration and the industry type for the active projects:

County Receives Performance Management Recognition

For the 4th consecutive year Stanly County has been recognized by the International City/County Management Association (ICMA) for its performance management initiatives and data-driven decision making processes with a Certificate of Achievement in Performance Management.

Each year ICMA recognizes local government jurisdictions that benchmark the performance of their services, utilize comparative analysis techniques and promote transparency.

Last year, Stanly County was one of only sixty (60) cities or counties nationwide to be recognized with a certificate of achievement, distinction or excellence, and one of only five (5) jurisdictions in North Carolina.
